

Lunchbox Love Notes

Cut out a note and tuck it in their lunchbox — a little hello from home, halfway through the day.

I love you

Thinking of you at lunchtime. See you soon!

You shine

You make ordinary days brighter.

A paper hug

Fold this up and keep the hug in your pocket.

You've got this

Whatever today brings, I believe in you.

Tell me later

I can't wait to hear one thing about your day.

Munch munch

I packed this lunch thinking of you.

Happy thought

Think of your favourite place while you eat.

Your biggest fan

I'm proud of you every single day.
